**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer in a free market, it's imperative to have competitive market, including in the telecommunication and internet services -- we don't want to be stuck with just one or two providers, we want more competition!

Please don't allow a limited market where one or two providers can drive price hikes that will increases the cost of internet and telephone services.

Availability of fair-priced broadband service is critical to your home, business or school.
